

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Traffic Signal Modifications and Repairs, Cherokee Lane and Lodi Avenue, Cherokee Lane and Victor Road, North Lower Sacramento Road and Turner Road, Lodi Avenue and Central Avenue (\$53,410)

MEETING DATE: November 6, 1995

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to M & M Electric, of Sacramento, in the amount of \$53,410 and appropriate \$62,000 from the Gas Tax Street Fund Account.

BACKGROUND INFORMATION: This project includes modifying and repairing existing traffic signals at four intersections. At two intersections, Cherokee Lane and Lodi Avenue and Cherokee Lane and Victor Road, the traffic signal plans were modified to increase capacity and/or reduce accidents.

At the other two intersections, North Lower Sacramento Road and Turner Road and Lodi Avenue and Central Avenue, the work consists of repairs to the existing signals. In addition to the above improvements, wheelchair ramps will be installed at the corners of Cherokee Lane and Lodi Avenue and Cherokee Lane and Victor Road. At both these intersections, emergency vehicle preemption equipment will also be installed at all necessary approaches.

Although the engineer's estimate for this project is lower than the bids received, there are sufficient Gas Tax funds to complete this project.

Plans and specifications for this project were approved on October 4, 1995. The City received the following two bids for this project:

Bidder	Location	Bid
Engineer's Estimate		\$29,900
M & M Electric	Sacramento	\$53,410
Richard Heaps Electric	Sacramento	\$70,314

FUNDING: Funding Source: Street Fund (Gas Tax)
Total Project Estimate: \$62,000
Bid Opening Date: November 8, 1995

Jack L. Ronsko
Public Works Director
